LB 581, 356

SENATOR WESELY: I move that LB 581 be advanced to E & R for Engrossment.

SPEAKER MARVEL: All in favor of that...I'm sorry, Senator Nichol.

SENATOR NICHOL: Mr. Chairman, if we could pass over that please, I think that Senator Hoagland will have an amendment or two on Tuesday morning when we reconvene, if it would be okay with the Speaker we would like to pass it up.

SPEAKER MARVEL: Okay, 356, Mr. Clerk, last bill on that.

CLERK: Mr. President, LB 356 had been on Final Reading. Senator Beutler at that time made a motion to return the bill to Select File for a specific amendment. The bill was returned, we now have pending Senator Beutler's specific amendment.

SPEAKER MARVEL: The Chair recognizes Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, members of the Legislature, just to refresh your memory, this is the bill that apparently inadvertently excluded lease-purchase agreements from the purvey of the bill. I think that Senator George and Senator Koch are in agreement now with the specific amendment. Is that correct, Senator George? That is correct. So I want further comment on it at this time, but would ask the Legislature to pass it please.

SPEAKER MARVEL: The motion is to adopt the Beutler amendment to LB 356. Senator George, do you wish to....

SENATOR GEORGE: Yes, Mr. President, it is correct. I do support the Beutler amendment and I guess after we pass the Beutler amendment I would suggest that maybe we could hold the bill till tomorrow because Senator Kelly still intends to put one amendment on the bill. Thank you.

SPEAKER MARVEL: All those in favor of the adoption of the Beutler amendment to LB 356 vote aye, opposed vote no. Record.

CLERK: 28 ayes, no nays on the adoption of the amendment.

SPEAKER MARVEL: Senator Wesely.

SENATOR WESELY: Mr. Speaker, I move that LB 356 be advanced to E & R for Engrossment.
